Honeymooners Secret - 9 nights Bed and breakfast - standard double room from £2,289 per person

Inclusions: Flights, taxes, private transfers, private ferry transfer, accommodation, guided tour, entry fees and sightseeing

The Andaman Islands are India's best kept secret: stunning beaches flanked by virgin rainforest, volcanoes, rich aquatic life, wandering elephants and elusive dugongs all in one location. Your dream honeymoon starts with a night in the capital Port Blair before heading to The Bare Foot Resort an ecohideaway, tucked behind 2km of untrodden white sands and 100ft high mahua trees. The cottages and villas blend into 7 acres of tropical foliage. This resort offers basic comforts (modern plumbing, airconditioning or ceiling fans), a restaurant, bar and a closeness to nature. Barefoot's philosophy is "a minimal environmental footprint", only natural materials are used. Kayak through mangrove creeks, snorkel or dive the reefs, camp on a deserted island, birdwatch, enjoy elephant encounters or a blissful beach. The perfect hideaway on one of the world's last undeveloped tropical islands.
